

PACCO is an association dedicated to building a society rich in diversity, open to people from all horizons to share intercultural moments.

WHAT DO WE DO CONCRETELY?

Transmission and sharing workshops

Every week, you can participate in all our workshops for free and even launch your own workshop. The workshops can change over the months but here are some examples :

Computer workshop

Women talks

Drawing

Theater

Yoga

Sport

Talking in french, arabic or russian

The intercultural binomials

This program will allow you to meet a friend. Our association connects people so that you can share your passions, your skills, your common interests.

Intercultural Event

We meet, we discuss, we laugh and we share each month during the intercultural event. Come with your buddy, your neighbour, your friend, your colleague... The goal is to have fun!

and many other events during the year...
